

Birthday Celebrations at LVCNS

At Long Valley Christian Nursery School, we want each child to have their own special day to celebrate their birthday. Your teacher will notify you in advance the date of your child's birthday celebration. If you would like, your child may bring in a birthday snack and drink to share with the class on that day.

The birthday snack must be prepackaged and peanut/nut free including, being processed in a plant that manufactures nuts We can not accept any homemade treats. Your child should bring in milk or 100% juice.

Below is a list of suggestions for birthday treats. Please double check that the snack you choose is peanut/nut free before you purchase it. We will recheck the ingredient list when the snack is brought in to school. If the snack has any peanut/nut ingredients or has been processed in a plant that may contain peanuts/nuts, we will not be able to serve it. Our first priority is to keep all of the children safe. If you have any questions, please ask your teacher or stop by in the office.

Birthday Snack Ideas:

- Ice cream cups
- Popsicles
- Individually wrapped rice krispie treats
- Cookies made by Dare or Nabisco (read label)
- Pudding cups
- Oreo cookies
- Nabisco Animal Cookies
- Prepackaged cupcakes

Thank you for your help and support!

Please don't forget
to bring a drink for the
class too! 😊
