

Join us for Mommy & Me!

Is your child asking to go to school but they aren't quite old enough? Are you looking for something more to do with your child? Are you interested in meeting other children and adults?

Parents, grandparents and caregivers and their children, come join us for one and a half hours once a week to play together and participate in a variety of art, science, playground and classroom activities. The program is an excellent way for children (and parents) to become familiar with the school environment and school routines. The transition to preschool will be much easier for children and parents if they know what to expect and what is expected of them.

Space is limited – sign up today!

**Children are not required to be toilet trained for the Mommy & Me class.
