Dear Parents/ Enrichment/ VIP day

In January, your children will take part in a kids fitness enrichment class. Lead by certified fitness instructor, Kim Reinforth, this class will teach the children the importance of staying active and keeping their bodies healthy, while moving and exercising. In February we will follow up kids health, with a nutrition class. Nutrition expert, Kiera Mitchell, will teach us about making healthy food choices. The children will even create their own healthy snack. Erica Gallo will be volunteering her time to teach us a dance/hip hop class and Flanders Pediatric dentist will be in to talk about dental health

pay \$50 to register for next year and that will secure the spot that you want. Certain classes fill very quickly and you don't want to get blocked out of your first choice. Deposits will be due April 1st and are refundable through May 31st. if you are a member of the church you have priority registration on January 24th with no standing in line© All Current families and former families can register on January 25th. The office will open at 7am that day and will take applications and fees on a first come first served basis. Applications will be time stamped and numbered to insure accuracy. You can only register your own children. If you cannot be here and want to make arrangements for someone else to apply for you, **it must be someone who is only registering your child/children** (Grand parent, relative, neighbor with no LVCNS Children) If you have any questions about this process please ask. Wish we had a crystal ball but last year the line started forming at 6am and everyone in line was out of here by 7:20am. Thanks you to all of our volunteers, we really could not do it without you. From running fundraisers, attending meetings, to helping at home or coming into school, everything helps. The sign up genius has been wonderful. You can pick and choose things that fit into your schedule. maybe you can help from home, enjoy creating bulletin boards or are interested in chairing a committee. This allows you to have control. Be on the lookout for a monthly volunteer sign up. For a copy of the minutes please stop into the office. **The Next PSA meeting will be January 30th @9am. Our next Tricky Tray Mtg will be held January 4th at 9am Children are welcome but must be supervised by parent.**

PLEASE NOTE!! School WILL BE in session on March 6, originally scheduled as a day off. A new updated calendar is now online
