School News

Happy New Year! Welcome 2018! I hope everyone had a relaxing and peaceful Christmas. We are excited to have everyone back with us and to take on the rest of the school year. We have many exciting things happening. A new First Friends class starting, as well as, Mommy and me class just in January alone.

Registration for next year will begin at the end of January. I know it seems so early, but remember you only need to pay \$50 to register for next year and that will secure the spot that you want. Certain classes fill very quickly and you don't want to get blocked out of your first choice. Deposits will be due April 2nd and are refundable through May 31st. if you are a member of the church you have priority registration on January 23rd with no standing in line☺ All Current

Enrichment/ VIP day

In January, your children will have their second Spanish lesson with Miss Emily Rochette and In February we will take Karate with Tom Katley of Quest Karate, for a fun active lesson that focuses on self regulation and fitness. Yoga, and hip hop are on deck!!

We love seeing your children at school learning, playing and making new friends. Why not share these school days with someone special. On February 24th your child will be invited to bring a special VIP to school for a short session of preschool. More information to come, including times of this event.

families and former families can register on January 24th. The office will open at 7am that day and will take applications and fees on a first come first served basis. Applications will be time stamped and numbered to insure accuracy. You can only register your own children. If you cannot be here and want to make arrangements for someone else to apply for you, **it must be someone who is only registering your child/children** (Grand parent, relative, neighbor with no LVCNS Children) If you have any questions about this process please ask. Wish we had a crystal ball but last year the line started forming at 6am and everyone in line was out of here by 7:20am. If you mail in your registration it will be added to the list at 3pm on your day of registration. New families register on January 26th. Tell a friend!!
